

**Lancaster High School
“Band of Gold”
Commitment Form**

I have read, and I understand the commitment and responsibilities in becoming a member of the “Band of Gold”. Much planning and preparation goes into preparing for an entire season and it happens early on. Marching band is an activity in which every student’s participation matters and everyone has an important role. Directors cannot plan and drills cannot be written if the band staff does not know who to count on. The success of the band is therefore based on consistent attendance at rehearsals and individual practice. If a student decides to quit, this creates the need for an immediate and drastic reorganization of the entire marching band which is very costly and wastes a lot of time. Therefore, I understand that by signing and returning this form, I am letting the Lancaster Band Boosters and the Band Staff know that they can count on me for the entire year and to go ahead and pay to have a spot written for me in the Pregame and Halftime Shows for the 2011-2012 season. In addition, I am providing the following information to the Lancaster Band Boosters so they may purchase a summer uniform, shoes, and gloves, and make arrangements for my full uniform. **I understand that if I withdraw from the “Band of Gold” program after the July 4th parade I will not be refunded any money paid for band camp, Pay-to-Participate, and/or uniform fees.**
