## Marching Band Exemption Form

### Due August 26, 2011 to the Band Office

I, \_\_\_\_\_, am applying for exemption from the marching band for  
(print name here)

the upcoming season. To be exempt, I understand that I must:

- a. be a member of a fall sport,
- b. be exempt because of a medical condition,
- c. ask for exemption from a committee of staff and faculty for other reasons  
(an explanation **MUST** accompany this form for this type of exemption to be considered)

In addition, I understand that if I do not become a member of said activity, or my medical condition changes, I will be asked to become a member of the Lancaster High School "Band of Gold." This could include full marching responsibilities or other duties deemed necessary by the Directors.

During the fall quarter, I understand that I will be asked to participate in rehearsals during the school day; *however, I will not receive a grade or extra credit for doing so during the fall quarter.* Private instruction on your instrument is strongly encouraged during the fall.
